Ensure your pet gets the care they need.

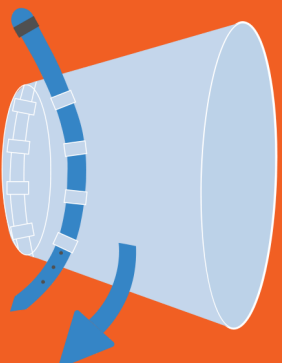

PREVENT HARMFUL LICKING!

Learn how to use your pet's restrictive device

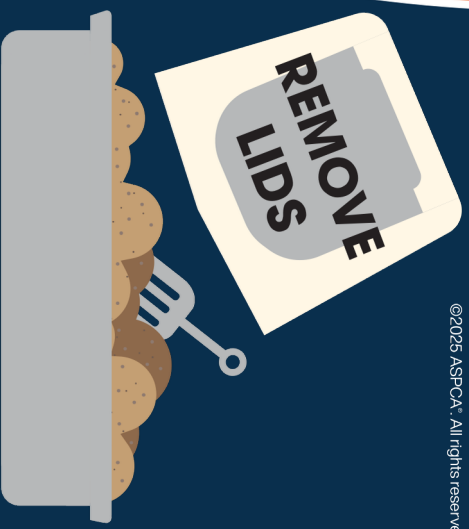

©2025 ASPCA. All rights reserved.

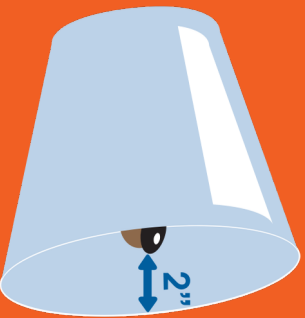

Snug but not too tight
(room for 2 fingers).

Attach your pet's collar
(or gauze) to the loops in
the cone.

GET THE RIGHT FIT

About 2 inches
from the nose to
edge of the cone.

Keep the cone on at all times for 7-10
days. Even a little licking can cause
problems.

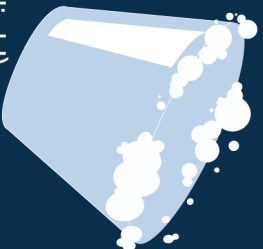

(Keep cats inside during this time.)

7-10 DAYS

FROM LITTERBOXES

KEEP IT CLEAN

Use soap and water. Dry completely
before putting back on ASAP!

ELEVATE FOOD BOWLS

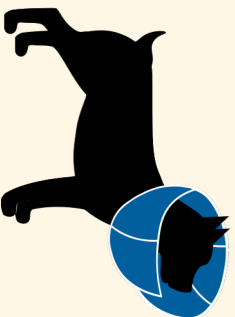

To help with eating.

(Watch your pet doesn't use this time to lick!)

MATCH THE PRODUCT WITH YOUR PET'S NEEDS
